

September 6, 2018

**SUBJECT: Interruption of Water Service
Scheduled Temporary Water Outage**

**WHERE: Gorham Drive (Between Howland Lane to La Maison Drive)
Howland Lane (Between Hardison Road to Gorham Drive)
Craigmore Drive (Between Gorham Drive to dead end)
Stonethrow Court (Between Craigmore Drive to dead end)
La Maison Drive**

Project Name: Hardison Rd, Rock Creek Dr., Gaywind Dr. and Gorham Dr. Water Main Replacement
Project Number: 7030700015-17-066

Dear Customer:

R.H. Price., under Charlotte Water (CLTWater) supervision, is replacing water mains in your neighborhood.

One of the consequences is that **your water service** must be **temporarily interrupted** to make final connections.

DATES OF INTERRUPTION: <u>Tuesday, September 11, 2018</u> DURATION OF INTERRUPTION: <u>9:00 AM to 4:00 PM</u>
--

If foul weather or some other unforeseen circumstances prevent completion of work, the scheduled **makeup date** is **Wednesday, September 12, 2018** with the same hours.

Once service is restored, you may experience water that appears slightly discolored. You may also notice a latent chlorine odor from disinfection of the new main. This is quite normal and temporary. To help with this process, run your **cold-water tap** for a short period of time. If water doesn't clear up after 15 minutes, please call the contacts below. The new main has been flushed and de-chlorinated, so it should not take very long for the appearance of the water to improve.

Please visit the project website by going to www.charlottewater.org and select 'Projects' to view updates.

We apologize for any inconvenience this outage may cause and ask for your patience and cooperation as this project moves toward completion.

If you have any questions or your water service is off during times other than indicated above, please call the Project Inspector, Enzo Martucci, at 980-721-0225, or myself at 704-336-7461.

Sincerely,
CHARLOTTE WATER
